Dear Judith and Richard,

There is no doubt in my mind that my recruiting your firm for the sale of my business was one of the best decisions of my life. Your experience and expertise guided me through an endeavor with which I had absolutely no experience.

This was a once in a lifetime event for me and you got me a once in a lifetime deal!

Judith, you were the personification of Rudyard Kipling's "If":  
"If you can keep your head when all about you are losing there's  
and blaming it on you....."

I will never forget this incredible chapter of my life and your roll  
in it.

Thank you.

Gratefully,

Steve Aldoroty
